Auction Sale of Smith Rugs

Provides the Biggest Savings of the Season

This great sale of rugs secured from the Auction Sale held
by Alexander Smith & Sons is the talk of the town. Present sale
prices are notably low—and with raw wools and dyes growing
scarcer every day, owing to European conditions, it is not likely
that such values can ever be offered again. We were the largest
Washington purchasers at the Smith sale, and you will find here
the greatest assortments of patterns in the city. If you have a
rug need to supply this winter, now is the time to select it, while
you can buy at these big savings.
